Demo screens: inventory workbook

Illustrative data only, not customer results. Your workbook is built around your own items, categories and locations.

Management dashboard

Totals, reorder and stock-check alerts, stock value by category and asset value update on their own as stock is logged.

OZULENTI | Inventory demo

Illustrative data only — not customer results

Metric	Value
Items tracked	18
Reorder alerts	4
Negative stock alerts	1
Total stock value (INR)	31,495.00
Registered assets	4
Total asset value (INR)	99,000.00

1. Replace sample items; use unique item IDs.
